Glass Products And History Told Kiwanis Club

Last "Ladies Night ot the year was held by the Kiwanis Club Tuesday night at their meeting in the Country Woman's Club building. President Lowell Benson conducted the meeting and also acted as chairman of the evening's entertainment.

The Fibre-Glass Company of Santa Clara, represented by Mr. Tomlinson, gave an interesting discourse on the manufacture of their product in the new multi-million dollar plant at Santa Clara.

Tracing the development of glass from its earliest discovery and use, the speaker brought it up to date with their newest and latest products, made from fine spun glass. Many new uses are being developed from this new product and the potentials for its use are practically unlimited.

Mr. Tomlinson had a few of the many products the company manufactures to show the club and particularly interesting was the development of cloth-like material of various weaves which will be one of the coming things in the very near future after a few problems such as dyeing are solved and developed.

Visitors at the meeting were Mr. and Mrs. Bert Robinson, Campbell; Mrs. Edna Smith, Campbell; Mrs. Eva Wilkins, Seattle; Miss Nellie Haynes, Honolulu and Mr. and Mrs. Martin Shadle, Campbell.

Next week, in the absence of president Benson, the meeting will be in charge of vice-president William C. Henley.

Cupertino Grange Will Hear From Assemblyman

Robert and Arlene Blair, brother and sister-in-law of the Overseer were initiated into the Cupertino Grange at their last regular session, Friday, October 14, with District Deputy Edwin Standish conferring the degrees. Bro. Standish and Pomona Master Charles Swanson were escorted to seats of honor, and other visitors were Edna Standish of Almaden Grange and Mary Lanz and Frieda Braser of Mountain View.

A letter from Morgan Hill Grange thanking the group for the good time at its first anniversary party was read by secretary George W. Ames. It also said that their Grange will have a birthday party in February. Master Dwight Sheffer and Mrs. Sheffer were chosen as delegates to the State Grange Convention at Sacramento in November with Overseer Marvin Blair and Mrs. Blair as alternates. A Christmas party and program for the children of the group will be held on Sunday, December 18, at the IOOF hall and Elizabeth Wood was appointed as committee chairman for the event.

Fred Grevstad announced that the firm he works for will give a bonus for each new customer obtained and if grangers will become or obtain customers the bonus will be donated to the grange building fund. Several new customers were obtained and others expected.

Bro. Standish spoke briefly and announced that San Jose Grange will have their booster night on Monday, October 24, and that Almaden Grange will have a potluck supper on October 19. All Grangers are invited to both events. Bro. Swanson spoke on the Grange Credit Union, especially the insurance plan, and told why grangers should take advantage of it.

The meeting was declared open for the lecturer's program which featured an interesting talk on the Black Mountain Soil Conservation district by William G. Scott who was introduced by Bro. Vince Garrod. Accompanying Mr. Scott were J. A. Maddox and J. W. Atherton.

Shopping Center, Church, 3 Horses Draw Opposition At Planning Session

Due to lack of a quorum at the County Planning Commission meeting Wednesday afternoon, no action was taken on matters heard. The following related to Campbell area business.

Second hearing was conducted on petition of G. K. Schrader to reclassify property at the easterly corner of San Jose-Los Gatos Road and Union Avenue from R-1: B-D zone to C-2 zone. The matter was taken under advisement, but it is expected to receive favorable action at the next meeting since the purpose of the re-zoning is primarily to expand the present shopping area and to afford off-street parking. No opposition was registered at the hearing.

On first public hearing of application of Vincent Carbone, Peter J. and H. M. Parlato to reclassify property on the east side of Santa Clara-Los Gatos Road from the north line of Hamilton Avenue to a point 141.40 feet northerly of Rosemary Lane, opposition was registered. The property includes all of Lots 1 through 7 and Lots 24 and 25, Tract No. 390, Winchester Villa Tract. Purpose of request for rezoning from R-1:B-D zone to a C-2 zone is to establish a shopping center on the property. Attorney A. J. Ruffo represented the petitioners.

Next hearing will be conducted November 16. Residents of the area Frank Jacobson and Jack Fisetr contended the shopping center would depreciate value of residential properties, and Jacobson said the site is less than six blocks from the present Campbell shopping district and that no necessity for commercial development of the Winchester Tract property exists.

Heavy opposition was entered on the records against application of Frank Ross for use permit to construct and maintain a Pentecostal Church on the north side of Woodard Avenue between San Jose-Los Gatos Road and Union Avenue. The site includes all of Lot 8 of the Berly Subdivision.

Mrs. Jack Kidwell submitted a petition bearing 91 names and opposing such use. In addition letters opposing issuance of the permit were received from residents of the area. The realtor who said he sold the property to Ross phoned the commission office to register his opposition. He said he had been under the impression, when he sold the property to Ross, that it would be used for a dwelling. The realtor reportedly offered to refund the cash paid for the site if the people felt its use had been misrepresented.

According to commission office records this is the fourth attempt of the church to build in that area. Previous site proposed for the church was at Oak Place, Los Gatos.

Planned Will Weston moved that the commission approve at its next meeting application of Lucille F. Taylor for use permit to maintain a day nursery on the north side of Stevens Creek Road between Henry and Cypress Avenues. The site is Lot 70 of Homesweet Subdivision, Tract 323. Weston's motion was seconded and carried. The nursery would serve nine other pre-school age children besides Mrs. Taylor's own child. No opposition from residents of the area has been received by the commission.

Action on application of Alexander Wilson for use permit to maintain three horses on property lying between the end of Spreckles Avenue and Ramel Way, near Los Gatos, will be taken at the next meeting. Residents did voice objection to the proposed use of the 7-acre parcel.

Residents Pledge 5000 Man Hours On S. T. Project

Two hundred residents of the San Tomas district of Campbell met in the school this month to formulate plans to construct a community recreation center. 5000 man hours of work were pledged and the enthusiasm of the citizens was at a fine pitch.

Statistical information supplied at the meeting showed this area to be one of the fastest-growing locales in the county.

The San Tomas School—built last year—has already doubled its building facilities. The next meeting will be held on Monday November 7, at 8 p.m. at the San Tomas School.

Due to lack of a quorum, the Chamber of Commerce did not name an Old Settlers' Day chairman at its meeting Wednesday evening. President J. M. Dahl introduced a list of six names at the board meeting Monday night. All were names suggested as possible chairmen for the community event February 22.

Board members appropriated $25 for a membership campaign which will be launched soon under chairmanship of Dobie Jeffers.

Pioneer Club Invites Public To Its Open House

The Pioneer Club of Campbell, whose membership includes 36 elderly members of the community, will hold open house at its new clubhouse, 35 S. First street, Monday at 2 p.m. The public is invited to attend and to view the remodeled building where the men will be able to enjoy games of horseshoes and cards.

Mrs. Clara Baldwin, secretary-treasurer pro-tem of the club, said the building is now complete except for plumbing. She expressed the thanks of the club membership to the public for donations which made the clubhouse possible. "It has been a long uphill job," she said, "but we are now near the completion of our task."

Mr. and Mrs. William E. Billings donated use of the building, a former shoe shop, to the group, as well as a horseshoe court at the rear.

Achievement of this goal has been largely through efforts of Mrs. Baldwin who proposed such a clubhouse for elderly men of the community, and who has carried through the project in face of considerable difficulty. She appealed to the community for donations of materials and funds for remodeling the building, and the men, themselves, have done most of the work.

Still to be completed is the plumbing work on the building, and it is hoped that some individual or club within the community will undertake to provide either the materials or funds for this final step in the laudable project which Mrs. Baldwin has supported. She may be reached at Campbell 2359.

Community Service Fund Total Reaches $5063.97; Year's Quota $7800

Campbell's Community Service Fund drive chalked up a new total this week, with receipts paid in now totalling $5063.97 of the 7800 goal. This includes $78.00 in pledges.

Service Fund volunteer workers have made a concerted effort to complete the drive in recent days, but it is believed the campaign will be extended at least one week as the willing workers make a final attempt to raise the entire amount needed to continue the fine youth program in this community.

Many donations will be needed to raise the balance. Everyone able to do so is asked to support the drive. If a worker has not called on some resident, he may leave his donation at the Campbell Union High School office or at the Campbell Water Company.

Farmers, Moorpark, Sunol Districts Ask Elimination From Annexation Area

Farmers led the opposition to the move to include some 4000 acres of agricultural lands in the Burbank annexation district to San Jose at a meeting of the Westside Planning Commission Monday night in Moorpark School.

Representing over 500 voters, six groups requested exclusion of their property from any legal annexation boundaries. Together they represented exclusions of farmland, the Moorpark School district and the Sunol District.

Groups requesting exclusion included Sunol Improvement Club represented by Attorney James Foley; farmers and property holders east of San Jose-Los Gatos Road, represented by Atty. John Burnett, and a group from the west side of San Jose-Los Gatos Road, represented by Attorney Paul H. Gallagher.

Edward Teresi, who has extensive properties on Williams Road, heads the committee of farmers, and is assisted by Arthur A. Toste, executive secretary of the Santa Clara County Farm Bureau.

Toste said farmers oppose annexation because prohibitive financial burdens and other restrictions would be placed on them in the form of higher taxes, building restrictions, city ordinances prohibiting raising of livestock and poultry, and operation of stationary pumping engines used in irrigation. Serving on the farmers' committee are Charles J. Cali, Anthony Teresi, Raymond Bishop and H. C. Statler, all of Winchester Road; Frank Aversente, Williams Road; J. E. Wiesendanger and H. A. Hanson, Santa Clara-Saratoga Road, and Al Hogarty, builder, of Moorpark Avenue.

According to Mark F. Hopkins Jr., chairman of the Westside Planning Committee, decisions on exclusions will be made by the executive committee soon. Indications are that the farm lands will probably be eliminated from the proposed area, but there was no such hope for Moorpark and Sunol School areas.

Gallagher, who asked exclusion of the Moorpark area, said residents of adjoining property, if annexed, could contract to send their children to the school.

Dr. Oliver Byrd, Dean of Education and Professor of Health and Hygiene at Stanford University, spoke on "The Emotional and Physical Problems of the Normal Student." This excellent speaker was the first of a series of speakers in a group of forums on youth problems sponsored by the PTA.

Gala Birthday Fete Observes OES Anniversary

Campbell Chapter, order of Eastern Star, celebrated its fifth birthday last Friday with a gala meeting in the IOOF Hall. The occasion also honored past matrons and patrons of the Chapter.

In keeping with the comparative youth of Campbell Chapter, the birthday night theme featured a huge birthday cake and nursery stories, carried out in a collection of dolls.

Honored past officers were Lillian Agostinho, Virginia Currie, Thelma Akers, Ella Elkey, Martha Wood, Mae Hartwell, Sue Miller, Marie Thompson, Eliza Jeffers, Florence Cramer, Luella Ryan, John Duncan, Ray Martin, J. E. Jeffers, Glen Thompson, and Henry Miller.

Marie Suess, worthy matron, and William Scott, worthy patron, presided over the meeting. The program was presented by officers of Fraternity Chapter, San Jose, who gave a play, "The Story of Robert Morris." Participating in the play were Grace and Walter Johnson, worthy matron, and worthy patron of Fraternity Chapter; Ruth Allan, Pauline James, Dorothy Bachman, Adeline Christiansen, Dorothy Anderson and Charles Combs. Preceding the play, Marjorie Martin, accompanied by Claudine Hancock, sang two solos, "Mighty Lak a Rose," and "Bless This House."

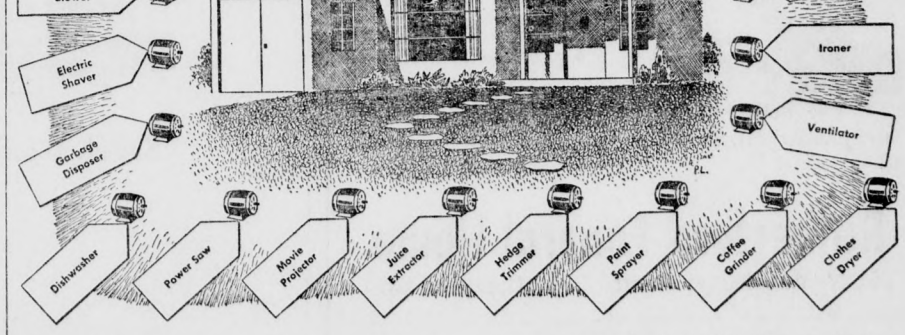
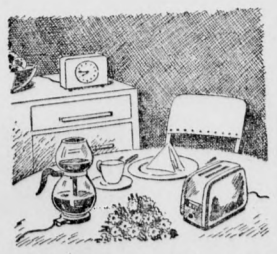
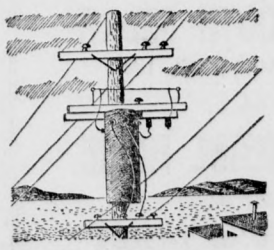
How many small motors are working for you?
Have you counted them lately?



Electric motors do more work in your home than you may realize. Motor-driven devices are the "chore boys" in California homes and gardens. Their usage is high because electric rates here are low... much lower than the national average. For instance, electricity runs a refrigerator or freezer for less than five cents a 24-hour day. Your kitchen is fanned free of cooking fumes—electrically—for about three cents a week, and a motor in an electric dishwasher "does the dishes" for just a fraction of a penny a day for electricity.



Electricity works early and late in your home for just a few cents a day. A penny's worth of electricity runs an electric clock at your breakfast table accurately, for five days or toasts twenty slices of bread or brews nineteen cups of coffee.



Electrical servants do so much yet cost so little, despite our greatly increased costs of producing and delivering electricity to your home. The price of power poles alone is up more than 100 per cent; transformer costs are up 30 per cent.

For the record

Your household electricity is a manufactured product. It is raw, bulk power when it leaves a generating plant at 220,000 volts. It is then transformed as often as FIVE times before it becomes the "household size" electricity so indispensable in your home.

P. G. and E. Service—does so much... costs so little

Miss Carrie Elizabeth Belling
May never forgive me for telling
That she says: "Lads and Lasses
In my typing classes
Are often quite backward at spelling."

Born in San Jose, and graduated by Kansas University, black haired, hazel-eyed Typing Instructor **Miss Carrie Elizabeth Belling,** came to Campbell High two years ago. She is an enthusiastic concert and playgoer, but gets very little time from her school duties to indulge her musical and thespian tastes. Miss Belling is a member of the Order of the Eastern Star. She thinks the Campbell area is just about the finest spot in the United States.

Students of English III at Campbell High say that when Instructor **Dean R. Chamberlin** gets angry his red hair turns redder. They watch for this phenomenon and conduct themselves accordingly.

Mr. Chamberlin, whose home town is Chico, Calif., has been teaching here steadily since 1939, except for three years he spent in the U. S. Air Force during the war.

English, public speaking, drama, journalism and remedial reading are the subjects Mr. Chamberlin has taught at Campbell. Tennis, the drama and fishing are his means of getting away from it all.

He is chairman of advisers to the senior class, a member of the Masonic Order, married and the father of a 5-year-old future English professor.

Pictures shown during the week at Campbell High were: Monday, for Miss Miller's classes, "The Fundamentals of Diet," and "The Nile River" for Miss McGovney's classes. Tuesday, "Tennis" was shown for Miss Howes's classes and for the class of Mrs. Reynolds, "Julius Caesar." Wednesday, "Canning" was shown for Miss Miller's classes.

Twenty years after his death, editors of daily papers named Joseph Pulitzer the greatest American editor of all time.

Grange Speaker Gives Talk On Daylight Saving

R. V. Garrod of Saratoga spoke on Proposition 12, Daylight Saving Time measure on the November 8 election ballot, at the Orchard City Grange meeting this month. He was introduced by Wesley Youngclaus, lecturer. Daylight saving has been opposed by majority of members in Mount Hamilton, San Jose, Gilroy and Almaden Granges.

Attorney and Mrs. Martin S. Walsh were elected to attend the State Grange meeting at Sacramento. A draping of charter ceremony was conducted in memory of Sister Letitia Jane Shattuck.

M. F. Hughes of Campbell Union High School spoke on the new revisions in the driver's safety law.

Mrs. Annie Hedegard gave a talk on her trip to Europe. She said she flew from New York across the Atlantic to Germany, and visited Italy and Denmark, the latter the home of her forbears. In all these countries, she told Grange members, the people were poorly fed and inadequately clad. Italy was actively engaged in rebuilding and its prospects for the future were good.

In conclusion the group voted to support Proposition 1, the school bond measure.

Next Grange meeting will be Tuesday, October 25, at 8 p.m. in the Campbell IOOF Hall.

Members have received an invitation from W. E. Williams, District Manager of the Pacific Telephone and Telegraph Company, San Jose, to attend the telephone open house October 25, 26 and 27 at the new Cypress Building, 95 Almaden Avenue, and the Long Distance Building, 80 S. Market Street, San Jose. Members, their families and friends will be welcome on the above dates from 1:30 to 9 p.m.

Morning Light Honor Roll Supper

Members of Morning Light Lidge No. 42, IOOF, are urged to remember the honor roll supper and entertainment scheduled for Friday, October 28, at 6:30 p.m. Odd Fellows are urged to attend and bring a member.

Paul W. Travis Will Give Lecture On World Travels At Adventist Church

Completing a world tour of 100,000 miles to sixteen foreign countries, including Japan, Philippines, South Sea Islands, Greece, France(and Italy, Paul W. Travis, lecturer and author, returned to the United States July 15, 1949. He is now on his way to the University of Oregon, Southern Oregon College and the Kiwanis Club of Portland. He will give his travelogue, "Greece, Italy and Behind the Iron Curtain," at the Campbell Seventh Day Adventist Church, 4th and Rincon Streets, Saturday October 22, at 8 p.m.

Paul W. Travis

To illustrate his talk he will project pictures in natural color which he took on his recent visits abroad, when he made a special study of the Italian and Greek situation as it applies to the war between Communism and Christianity.

While Mr. Travis was in Greece forty-five guerillas were executed in the town square; hundreds of villages pillaged, people murdered, and politics boiled. Here Mr. Travis spent three months in all parts of Greece. He visited personal friends of General Markos in the general's home town. In Italy, where he was for four months, Mr. Travis had two private audiences with Pope Pius, who gave him his medal and autograph. He visited in every major city in Italy.

The pictures, said to be of great educational value, include great historical sights: Acropolis, Temple to Zeus, old Greek theaters, Olympic stadium. In Rome: Appian Way, Old Roman Gate and Wall, Arch of Constantine and others. Pictures of particular interest to Bible students: Isle of Patmos, Mars Hill, Footsteps of St. Paul, Sacred Stairs from the house of Pilate.

Mr. Travis will speak under the auspices of the California Council of Churches Christian Service program. The lecture is free but an offering will be taken for the council's service centers on the west coast.

Author Offers Aid To Two Local Writers

Because Alexander Lake, successful writer, who recently moved to Campbell, found the road to success a long and discouraging one, two Campbell area residents will be given an opportunity to learn the tricks of the writing trade without having to go through years of seemingly fruitless struggle.

"It took me 12 years of effort before I sold a manuscript," Lake said today. "No editor offered me advice. None has ever told me why the hundreds of manuscripts I turned out would not sell. I learned writing the hard way. When I finally hit the magazine and book markets I hit big, but sometimes I wonder how I held up under the long bombardment of rejection slips."

Lake, whose literary markets today are world-wide, writes under nine well-known noms-de-plume. For nineteen years he has made a hobby of teaching two aspiring writers each year. "I try to save the two I select from the uncertainties and the discouragments that I endured," he says.

Lake's hobby has paid off. Today one is editor of a bankers' magazine. One is an editor for Newspaper Enterprise Syndicate. A few are big-time writers, and the rest are making a good living doing fiction and articles for American markets.

"The two I select to teach this year," Lake said, "must be willing to work at it. They must have passed the stage of using 'hifalutin' linguage. They must do the assignments I set them—or else. They must be willing to try for small checks before trying for the big ones."

Lake's two Campbell area proteges may be any age, or either sex. But they must have what it takes to make good—determination, a knowledge of grammar, and the ability to look on writing as a trade, not an art. Lake lives at 49 Budd Avenue, but he requests that applcants make an appointment by calling Campbell 2098, before calling at his home.

San Jose State

San Jose State College alumni will be returning to the campus Friday, October 28, for the second annual fall homecoming day and the San Jose State—College of the Pacific football game that evening in the Spartan Stadium. The fall homecoming was revived last year after a lapse of 14 years and this year's program is to be one of the biggest social events of the college year.

A homecoming queen will be chosen Tuesday, October 25, and she will be crowned at the football game Friday night. The football rally Thursday night will be preceded by a colorful parade in the San Jose business district.

From Wednesday through Friday, fraternity, sorority and independent boarding houses near the campus will be elaborately decorated and will vie for prizes for the best decorated house in each classification. Open house will be held Friday for returning alumni members.

After the game an alumni dance will be held in the De Anza Hotel and a student dance in the Civic Auditorium.
